Hi (insert first name),

Google, and the pandemic, have made GMB the most important local marketing tool for SMBs and multi-location brands.

There are millions of searches on Google every day. This site currently holds 92% of the search engine market share. Every month an average business gets 59 actions from GMB listing and, 49% of the business gets 1,000+ views monthly.

The more "searchable" your company is, the more likely it is that potential clients will find you.

With all this action behind the scenes, it seems inevitable, in the coming years, to create a business

profile on Google.

But before you get into the rankings, listings, searching, you get educated in them, learn the terminology, the features, and ways to ensure that how GMB is considered a core part of local SEO, and at the same time, you learn how to get the best value for your money.

Take the fastest and easiest way by grabbing this Brand New 'Google My Business 4.0' Training course that will reveal all the crucial methods on how to boost your business and its ranking.

We strongly urge you to check out the 'Google My Business 4.0' Training on the market:
